A GALA BENEFIT FOR  
COMMUNION OF SAINTS  
PARISH & SCHOOL

*Shimmer  
& Shine*

Dear Friends,

Welcome to the Communion of Saints Shimmer & Shine Gala! I am happy that you are joining us for an evening of dinner and dancing benefiting the ministry and work of Communion of Saints Parish and School.

As you are aware Communion of Saints Parish and School are significant for the life of the communities of Cleveland Heights and East Cleveland. Our mission statement reads that we are “committed to living the Gospel through worship, education, caring for all people and being a sign of Christ’s presence.” This is accomplished as we gather to worship each week, serve the poor at the Michael W. Ozanam Center, educate parishioners of all ages through our “blue ribbon” grade school, PSR and RCIA adult formation program and participate in fellowship through the many groups who make up our vibrant parish life. I am proud of the work, ministry and fellowship being carried out in the name of Christ.

Your presence tonight supports all of those groups and ministries in the work being done. It is my hope that monies raised tonight can be used toward completing the technological infrastructure to bring a 21st century environment to the parish campus. By providing wireless internet capabilities to all meeting centers throughout the parish, we can enhance the opportunities for all the groups who use these spaces. This project will benefit everyone in the parish.

I appreciate the tremendous work of the Shimmer & Shine Gala committee. Under the leadership of Jeanne Gordon they have worked tirelessly to make this event significant. I cannot thank them enough.

This is a wonderful parish. Your support will help us live the mission of being Christ’s presence to all we serve. Thank you, again, for coming.

So enjoy the evening!

Sincerely yours,

Fr. John McNulty

October 3, 2014

Dear Parishioners, Parents, and Friends,

“Whatsoever you do to the least of my people, you do it to Me.  
Come and enter the house of My Father.”

That is our guiding principle for the 2014-2015 school year. Our focus is being people of service. Each of you who made tonight happen—from the teachers who assisted the children with class items for the on-line auction, to the volunteers, to those who were generous enough to donate items for our raffles, to those who have set aside an evening to attend and bid, to the committee who pulled this all together—are modeling to our students a spirit of service.

This spirit of service, so evident in our parish, is reflected in our students when they volunteer at the Michael W. Ozanam Center, serve funeral masses, sing with the choir, volunteer for Youth Challenge, write letters to our adopted troop in Afghanistan, or enthusiastically collect diapers for underprivileged families.

Everyone associated with Communion of Saints School is proud of our students and the volunteering they do to serve their fellow students, parishioners, neighbors and community. Your support of tonight’s Shimmer and Shine Gala will benefit their learning as well. An up-to-date technologically connected classroom is necessary for students to compete in the 21st century. It provides another tool for children to learn and explore the greater world beyond them.

A special note of thanks goes to Mrs. Jeanne Gordon and the members of her committee whose numerous hours of organizing and planning have made tonight possible. We keep all of you in our prayers on a daily basis and ask that you do the same for all students, staff, parents and friends of Communion of Saints School.

In His name,

Mrs. Kathy Krupar, Principal

### ***#313 Turn it Up!***

The Cleveland 40112 is an original, all-tube, combo **guitar amplifier** designed and built here in Cleveland. It features an all-tube signal path, ridiculous gain, angled baffle, master volume and tone-bypass controls, and a highly efficient (98 db) Jensen C12N loudspeaker. The 3/4" maple plywood cabinet is lightweight, strong, and beautiful. The rear panel is removable for your choice of open or closed-back voicing. Sound absorbing grill cloth and typical vinyl covering have intentionally been avoided. More than 25 years of acoustical, scientific, and engineering experience has led us to design this amplifier with tone as the highest priority. Steel rods and huge knobs add the finishing touches to this fine musical instrument. Auctioned here is Serial Number 0001, the first production unit. The Cleveland 40112 is still in production and will be available one week from October 3, 2014.

An advertisement for Speedeon Data. The central text reads "Make this Your Night to SHINE" in a large, bold, sans-serif font. The word "SHINE" is particularly large and surrounded by several four-pointed stars. The background is white with black stars and lines radiating from the corners, suggesting a night sky or fireworks. At the bottom right, the Speedeon Data logo is displayed, consisting of a cluster of dots forming a stylized 'S' shape, followed by the text "Speedeon® DATA". Below the logo, the tagline "Your Success. Data Driven." is written in a clean, sans-serif font.
